

## HOME PAGE

The screenshot shows the Looote web application interface. At the top left is the 'loote' logo. To its right is a greeting 'Hi Tahir Alauddin!' and a user profile icon. A left sidebar contains navigation links: 'New Email' (highlighted in teal), 'Templates', 'Import Lists', 'Sent Emails and Analytics', 'Scheduled', and 'Recipient Lists'. The main content area is a form for creating a new email. It includes fields for 'From:' (with a blacked-out placeholder), 'To:', 'Subject:', and 'Campaign Name'. There is an 'Add Link (Optional)' label and a teal 'Open' button. At the bottom of the form are 'Send' and 'Schedule' buttons. Below these is a rich text editor toolbar with icons for bold, italic, underline, link, unlink, text color, background color, bulleted list, numbered list, indent, and outdent. A font face dropdown shows 'MS Shell Dlg 2' and a font size dropdown shows '11'. To the right of the toolbar are 'Attach' and 'Templates' buttons.

## ADD LINK WINDOW

The screenshot shows a modal window titled 'Looote - Add Link'. It features the 'loote' logo at the top. Below the logo are two input fields: the first contains 'Text (Google)' and the second contains 'Link (https://google.com)'. At the bottom of the window is a large teal button labeled 'Select'.
